

START CONVERSING QUICKLY. REAL-WORLD CONVERSATIONS.

Whether learners are gearing up for a long-term business trip of a lifetime or settling their family into life abroad, Mango Languages teaches how to start a conversation in a new language and keep it going with confidence.

With Mango, users learn more than grammar and vocabulary, they learn how to communicate.

Here is just a taste of what Mango offers:

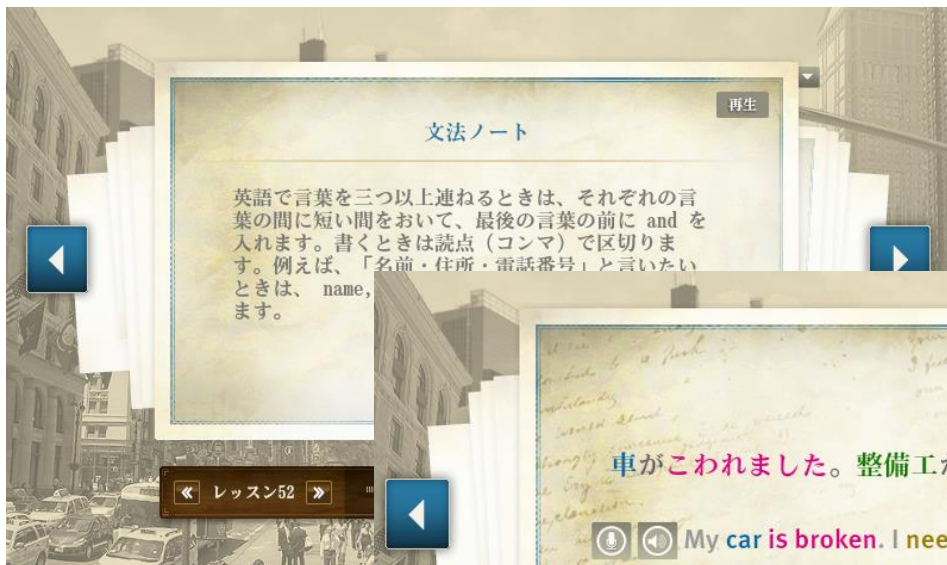

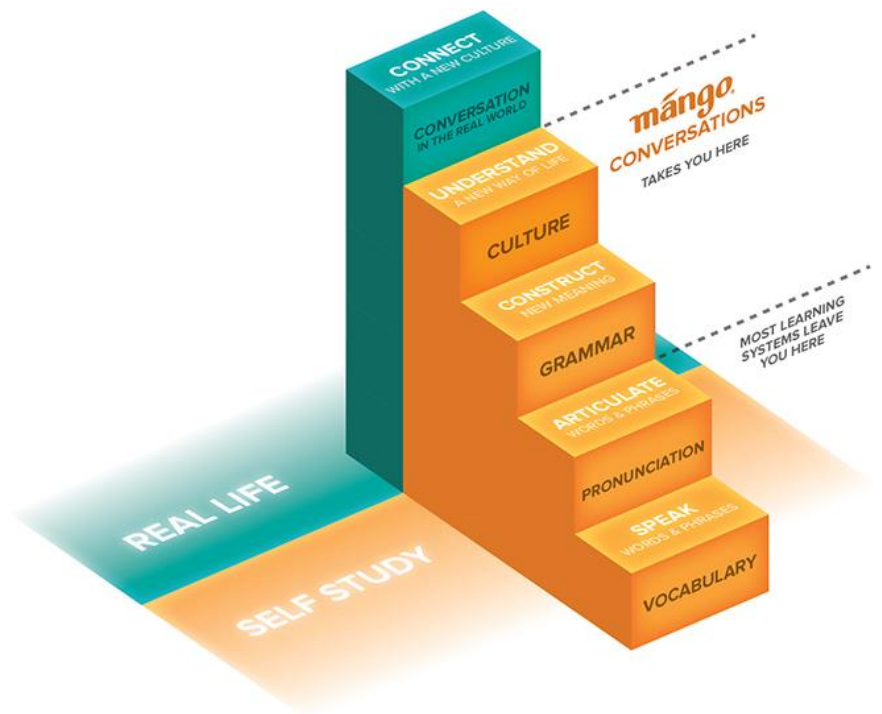

- Over 60 foreign language and 17 ESL courses available.
- Real-world conversations help learners start conversing quickly.
- Placement and assessment tests identify the perfect course to begin from and tracks progress along the way.
- ESL courses contain navigation and phonetics presented in the user's native language, making the learning more comprehensive.
- Learners are empowered to intuitively construct phrases and sentences on their own.
- Culture lessons teach all about the people, traditions, and customs of world regions.
- Free mobile apps help keep learning up anytime, anyplace and with ease.

Users learn the 4 key conversational skills necessary to connect with people in a new language: vocabulary, pronunciation, grammar and culture.

Customized ELL courses. Speakers of different languages have different needs when they're learning English. That's why Mango's ELL courses contain navigation and phonetics presented in the learner's native language.

Example: English for Japanese speakers
